St. Rose Council of Women

Officers

Spiritual Advisor: Father Tom Podraza 388-4814

President: Brenda Maibaum 388-4390

Vice President: Kristi Steffen 388-4259

Treasurer: Karen Arens 388-2395

Secretary: Helene Hegge 388-4293

The Ladies Guild is a very important part of our parish. Each lady in the parish is automatically a member of the council. Everyone benefits in some way from the efforts of our group. If your name does not appear in one of the divisions, please notify the president.

Meetings are held when deemed necessary in the back of church or in the St. Rose Educational Center. All members are invited to attend.

There are twelve divisions. Each member of a division will be expected to:

1. Serve a funeral. (If unable to, please find a sub.)
2. Pay yearly dues of \$25. Please mark the space on the envelope "Ladies Guild" and put in the collection basket or give to a guild officer. The 2017 dues are due by March 1, 2017.
3. Either work at a designated activity or at an unexpected event. (If unable to, please find a sub.)
4. Clean church/rectory once a year. (If unable to, please find a sub.)

Our first funeral group for 2017 will begin with Division 3.

* Designates the ladies of the parish who will not be made chairman or co-chairman, but will be called to work and will donate food or cash if needed.

** Designates the ladies of the parish who will not be made chairman or co-chairman and will not be called to work or expected to work, but will donate food or cash if needed.

Note: St. Rose Council of Catholic Women officer nominations for 2018 should be submitted to the Ladies Council President before the October meeting. We are asking that each division chairman submit a name from their division who is willing to run for an office. More than one name from each division may be submitted. All members of the Council of Catholic Women are eligible to vote. The candidate with the most votes will be the vice-president and the candidate with the second most votes will be the treasurer or secretary depending on which position is open that year. The vice-president will automatically be president the following year. These are all 2 year term positions.

Thank you, in advance, for all your help and cooperation in the year 2017. Without the support from each and every one of you, the St. Rose Council of Catholic Women could not be successful in the projects we undertake.

Funeral Luncheon General Procedure

When the president finds out about an impending funeral from Fr., she contacts the chairman of the division in charge. If Fr has not already done so, the president contacts the family and asks for an estimate of size, and if they would like the Guild to serve the funeral luncheon. The funeral luncheon consists of a cold cut luncheon (sandwiches, salads, cake or cookies, plus beverages). If family wants a hot meal, the family must line up a caterer and the division in charge will serve the meal. The president or a family member orders the groceries. If food is ordered at People's Grocery Store, they deliver the groceries the morning of the funeral to the parish hall around 9am. THE PRESIDENT MUST CONFIRM THE DELIVERY. The division in charge organizes and serves the luncheon. Each chairman and co-chairmen will receive a packet with specific instructions to follow. If a member brings a salad or dessert to the funeral luncheon, it is considered an act of kindness to the family; not a donation to the parish. It is not required, but instead your choice. Suggestions: cupcakes, bars or cookies are easier for the family to handle if leftover. After receiving notification of time and date of a funeral, the chairman (with help from the co-chairman), should call everyone in the division. Ladies are asked to help at the funeral. If unable to help the day of the funeral, you are asked to help set up tables if needed and/or get a sub as needed. During the school months, the St. Rose students will set up tables and chairs for the funeral. When cleaning up after the luncheon, we ask that you wait to take down the tables if needed and chairs and don't rush the family out the door. Please use kindness and common sense. The division chairman should find out from the family contact person what they want done with any leftover food.

Follow the kitchen clean-up and check lists after each funeral (posted in the kitchen).

**If, in the event, the parish hall is not available for funeral luncheon, an alternate facility will be chosen (ex: City Auditorium). If held in the City Auditorium, be sure to bring supplies from parish hall (large thermos, coffee pots, trays, tin foil, etc.). Ask People's Grocery to furnish the silverware.
