Please complete a separate registration for each adult attending from your household. Registration for those planning to attend sessions for Children, Youth, and/or Spanish speakers must be completed online. Please return your form to a Unite registration volunteer.

- I understand that I must fill out a separate registration for each person in my family who will be attending Unite.
- I understand that children ages 4-6 and youth in grades 2-12 who wish to participate in the Youth Track must have a parent complete a separate YOUTH REGISTRATION FORM online for each child.
